Pleasant Grove High School

A SENIOR'S FAREWELL

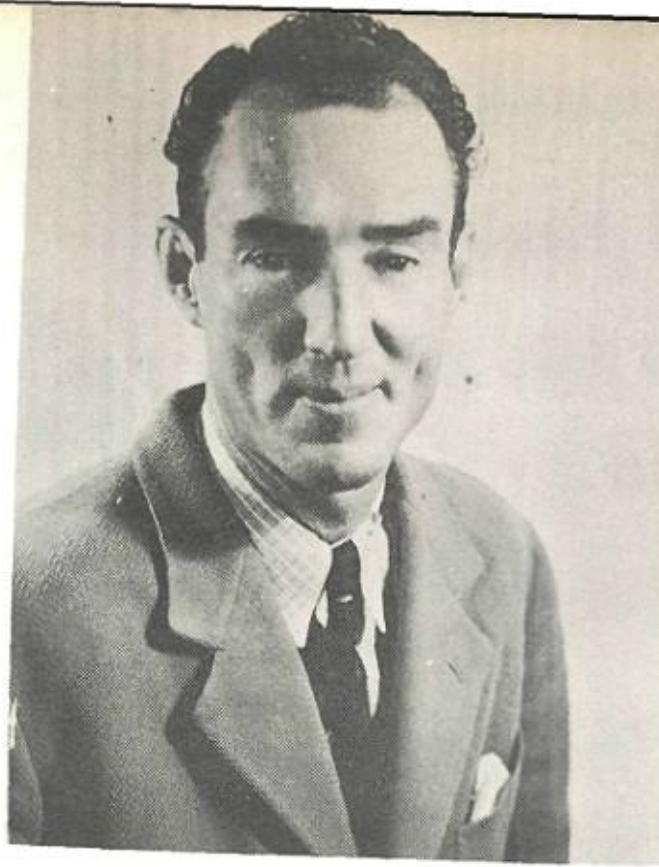

The time has come for us to say goodbye,
So long to our books and lessons,
So long to Pleasant Grove High.
We must bid farewell to each sorrow and joy,
And to the spirit of a grand school
That was shared by each girl and boy.
And when we know what our fortunes hold,
We will remember with respect and love
Our own school, our blue and gold

Foreword

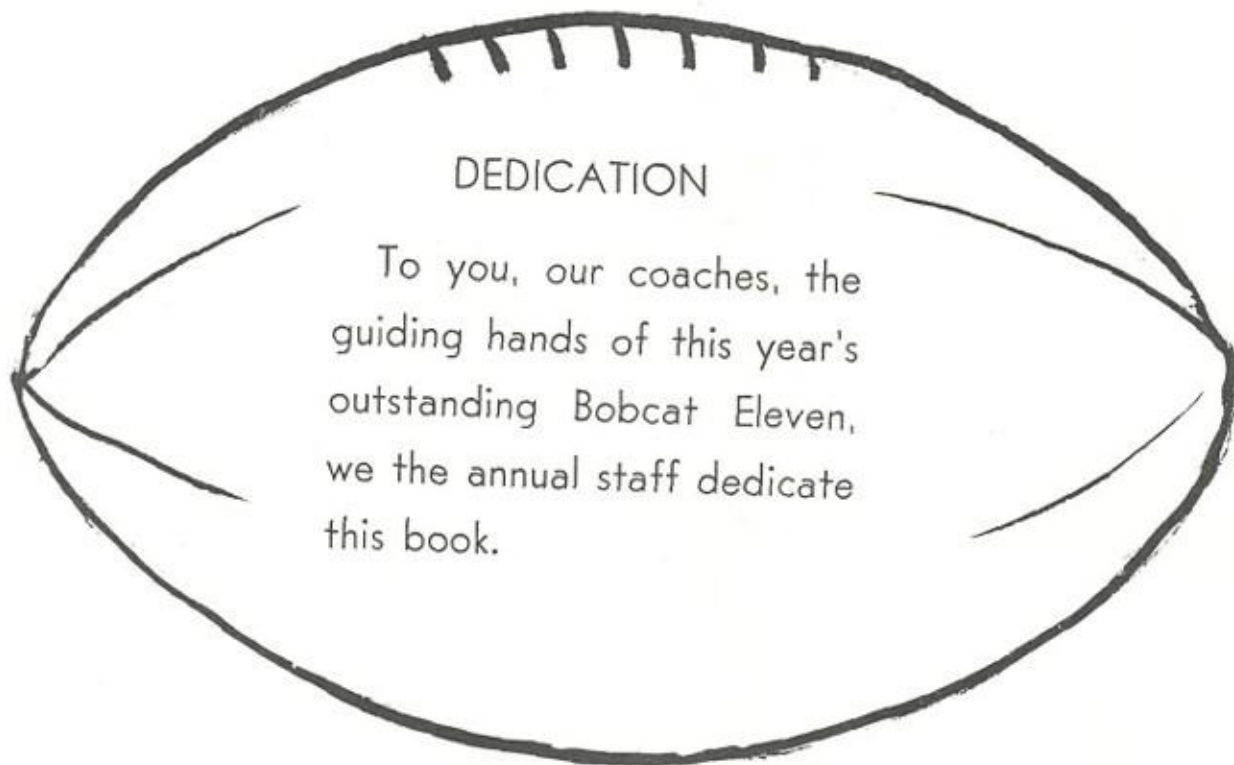

In the following pages we will attempt to present to you a summary of the occurrences of the past school year.

It is our hope, that, in the years to come, you can look through the pages of this, our annual of 1947, and recall your school life at Pleasant Grove.

If we can accomplish this, the annual staff's aim will be fulfilled.

A Message to you

from our

Superintendent

It will be remembered that the inquisitive Ben Franklin, while testing the lightning with his kite, found in the storm's noisy violence the glimmerings of a secret which later illuminated the world. His example suggests that good news is sometimes hidden in bad weather. Today, in the storms that are raging in the minds of men across the great earth, men are still sending up their kites to test the new lightning in order to test its possibilities and to prepare for clearing skies.

The Four Freedoms guide them on. Freedom of speech and religion, freedom from want and from fear - these belong to ALL the earth and to men everywhere. Our own country, with its idea of equality, has been conducting against odds and best of all, with some success, an experiment that proves the Four Freedoms, when lived in the hearts of men, give a reward that can no place else be equaled. We are thankful for our great America and for what she stands, as we live from year to year.

Our greatness will not be determined by what we say, but it will be reflected day by day in our every act.

Sincerely,

Dale Douglas

Superintendent

A Message to you

from our

Principal

Day is done! How often we make this statement - yes, as you walked home from school each day for twelve long years. The day, be it good or bad, was done. Whether you did much or only a little, it was over.

After you have said goodbye to dear old Pleasant Grove High, each day will find you shouldering a little more responsibility. As you find your place in society and as each day is done, review each one carefully and ask yourself, "Could I have done more?" When you are really sure that yours has been a successful day and you have no regrets for what you might have done, then you may rest assured that you have found your "place in the sun".

Sincerely,

G. H. Dunagan

Principal

In the year of our Lord, nineteen hundred and forty three, a conglomeration of pig-tails, freckles, and dirty faces stormed the gates of higher learning with the purpose of establishing a beach head. But it turned out to be a four year occupation force.

These kids, being of democratic parents, had the bright idea of having an election. When the ballots were counted we discovered we had elected Mickey Griffen as President, Mattie Lou Jenkins as Vice-President, and Betty Benton as Secretary. We selected for our favorites, Mattie Lou Jenkins and Wesley Smith.

Each year our elections supposedly were conducted in an orderly fashion. Officers for our Sophomore year were: President—Wesley Smith, Vice-President—Pauline Poston, and Secretary—Betty Jean Benton. This year we decided that Patsy Sikes and Mickey Griffen were our favorites.

SENIOR HISTORY

Kirk Drew, then quite the bashful one, took over our Junior Class as President. We elected G. A. Glenn—Vice President, and Doyce Pilgram—Secretary. Mattie Lou Jenkins and Raymond "Wooley" Willerford received our votes as favorites. As Juniors we felt very important, so we decided to make our debut as actors. Our Junior Play "The Groom Said No," directed by Mr. Thompson, was a great success. The Junior-Senior Banquet at El Phoenix Cafe was enjoyed by all.

The favorite pastime of our class has been participation in sports of all kinds. Our boys have been active in football, basketball, baseball and in our Junior year, track. The girls have been enthusiastic and loyal fans. Our goal has been to be all-around good sports.

Now at last we are Seniors. We have fought many battles but we have always come out victors. In May we will begin a new invasion, that of life.

Kirk Drew again leads us as President. Robert Davis is our Vice President and Billie Grace Love our Secretary. Our favorites are as follows: Most Popular Girl—Billie Grace Love, Most Popular Boy—G. A. Glenn, Most Beautiful Girl—Mattie Lou Jenkins, Most Handsome Boy—Dick Edsen, Best Personalities—Betty Grisham and Kirk Drew, Best All-Around Girl—Rose Nell Grogan, Best All-Around Boy—J. M. Ragsdale, and Most Athletic Girl and Boy—Peggy Warren and Wesley Smith.

We are looking forward to our Senior Play and the Junior-Senior Banquet. May will be the month of thrills, the Senior Tea, Senior Day and the Senior Trip. And of course, the most important, Baccalaureate and Commencement.

This closes one chapter in our history, but as for the next chapter only time will tell.

Senior Prophecy

I, the gypsy, see in my crystal ball the future of the members of the SENIOR CLASS of 1947.

First I see DAN ADAMS, manager of the Grove Theaters. In one of these theaters I see Mrs. Chuck Smith, the former MATTIE LOU JENKINS. With them is G. A. GLENN, football coach at Pleasant Grove University.

Now a different scene begins to form in my crystal ball. It is Home Coming Day at Pleasant Grove. In the crowded Assembly Hall I see BETTY GRISHAM and LOUISE WORLEY, who are well on their way to stardom after making several successful movies. A few feet away stand DELORES CROWSON and her husband, Clarence Vestal.

ALSO I see KIRK DREW who is now a very prominent electrical engineer. With him is his old friend WESLEY SMITH, basketball coach at Pleasant Grove Univ. RAYMOND WILLEFORD and his wife, Frankie sit near by.

Behold! Coming in the door, I see GRANVILLE JETT, the famous designer, and FAYE MARIE BREY, owner of the Brey Beauty Shop. Behind them are JOHN-NIE FAY HILL and ALVA JUNE SIMONS, radio commercial singers.

Wait! There is a crowd gathering in the back of the room; someone has been injured. In the crowd I see CHARLES RHODES, manager of the Grove Grocery, and HAROLD GREGG, the dare-devil jalopy driver. Helping to keep the crowds back are CHARLES HAMPTON and JIMMY THOMAS, manufacturers of Sir Charles Thomas Cigars. Also I see ROBERT DAVIS, manager of the baseball team at Pleasant Grove University

JAMES SANDS and his wife, DOYCE PILGRAM, run to the telephone to call the MAXINE SMITH Hospital. Soon an ambulance driven by JOHNNY CHRISTOPH arrives. Out of it jumps the eminent doctor, J. M. RAGSDALE, and his nurses, BARBARA RANSOM and BILLIE GRACE LOVE. A few moments later DOROTHY GORDON, the airline hostess, arrives to see what the trouble is.

Now the scene changes. I see the opening of the Pleasant Grove Entertainment House owned by GERALD BEAN. The first show includes a piano duet by MARY JANE BRIDWELL and JUNE WELLS. LELIA ELLEN McNEELY leads her own band. She has become famous for the unusual arrangements.

In the audience are ROSE NELL GROGAN and DORIS DICKERSON, co-owners of the Dickerson Bakeries makers of Mrs. Grogan's Bread. On the first row are the three foreign correspondents for the Grove Times, MARY FRANCES TRIMBLE, BILLIE LOUISE DURHAM, and PAT DUNCAN.

Just entering the auditorium are BETTY JEAN BENTON, editor of the Grove Times, and ELENOR SMITH, movie critic for the Times.

The ticket seller PEGGY WARREN is issuing tickets to MILDRED DORMAN and MARTHA GRAHAM, manager of the Dorman Dancing School. The usher, ROBERT MATTHEWS sets them next to the Powers Models, EVELYN NAPPS, BILLIE MARIE MORRIS, and JESSIE TILLISON.

After the show everyone heads for MARY LOU HORTON'S famous restaurant. I can see a lot of taxis owned by DAN KINCY. In one of the cabs driven by JIMMY HENEGAR I see BENNIE JO KERR and MARION WELLS, the Civics teachers at the new P. G. High School.

In the restaurant I see the girl's basketball coach of P. G. University, SADIE BUCKNER. At the center table sit PAULINE POSTON, famous interior decorator, and her assistant FRANCINE MERRIMAN. Also at the table is the eminent lecturer BOBBY BAKER. At another table sits LOUISE MARTINE, owner of the Martine Shoe Shops.

Outside the restaurant I see the great screen lover, DICK EDSER, running to catch a ride with BOB BIVEN. Bob is now professor of Civics at P. G. University.

Now the scene is fading. Wait! I see a few words forming They are:

JUNIOR HISTORY

To follow the other heroes of Pleasant Grove, we entered the high school as mere freshmen in 1944. Our goal was success, and we didn't mind the jokes of the upper classman too much.

To fully establish ourselves we elected officers. They were: President—Roy Montgomery, Vice President—Bobby Byrd, and Secretary—Christine Brown. Our favorites were Christine Brown and Bobby Byrd.

Now we were sophomores. We were slowly climbing the steep hill to success. Our socials were in full swing. Our officers were: President—L. H. Wheeler, Vice President—Jack Harley, and Secretary—Christine Brown. Our favorites were Shirley Rae Price and Lacy McLarry.

Now we are the sophisticated Juniors of 1947. Our officers were: President—Wayne Bratcher, Vice President—Jetta Harris, and Secretary—Betty Jane McBride. Our favorites were Jetta Harris and Wayne Bratcher. Our most athletic members are Clorine Middling and Dillard Martin.

We are anxiously looking forward to the Junior Play and the Junior-Senior Banquet which will complete our year as Juniors.

FOOTBALL

This year proved to be the most victorious year of football in the history of Pleasant Grove. For several weeks we were tied for first place in the District 15A race.

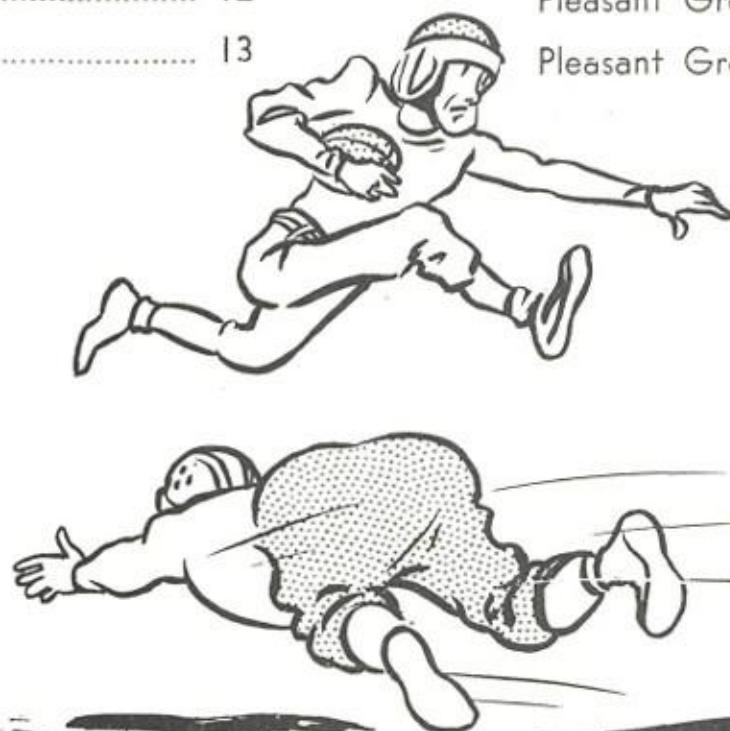

This year's team was a cooperative and willing group of boys. A good share of praise should be given to their coaches, Troy Mullens and Dan Thompson, for an excellent job of coaching.

N. L. Baxley, manager, and Hubert Gibson and Claude Hill, assistant managers, played an important part in the success of the team. The football boys heartily thank them for their time and work.

The boys who lettered this year are: Kirk Drew, Wayne Bratcher, Frank Horton, Raymond Willerford, Robert Davis, Johnny Christoph, Jerry Langbien, Wesley Smith, G. A. Glenn, Dillard Martin, Bobby Byrd, Roy Overturf, Mack Pharr, Gene Lindsay, Thomas Sims, Toy Sexton, William Johnson, Eddie Wallace, and J. M. Ragsdale.

JUNIOR FOOTBALL TEAM

A new football team was organized this year by Coach Kenneth Tinnen. It is a junior team composed of Junior High, Freshman and Sophomore boys.

The training and experience which these boys receive enables them to be better qualified to play on the regular team.

Some very good playing was done by the boys in the few games in which they played. Cheerleaders and a pep squad from the Junior High were a great support to the team.

GIRLS' BASKETBALL

The Lady Bobcats have shown themselves to be an up-and-coming basketball team. The team won second place in a county tournament. Many experienced girls from last year's team are back this year, and this factor plus a swell coach is largely responsible for the good team.

The starting line-up consists of all girls that lettered last year.

They are:

Co-Captains are Peggy Warren and Jetta Harris. Sadie Buckner is manager, and Kathryn Morris is assistant manager.

There are many girls who went out for the team this year who did not get to play because of an acute shortage of suits. Many of the girls had good prospects and it is hoped that more suits will be available next year so that more girls will get a chance to play on the team.

The girls wish to use this book as a medium to express their appreciation to Coach Tinnen and to Principal G. H. Dunagan who took over the last of the season when Coach Tinnen was unable to be with them.

BOYS' BASKETBALL

Basketball scores this year were quite different from those of preceding years. Throughout the season Pleasant Grove basketball boys were either tied for, or held first place in the district race. We lost the championship by three points in a series of play-off games.

Coaches were Troy Mullens and Dan Thompson. Co-captains were Wesley Smith and Mack Pharr. Managers are Johnny Christoph and William Johnson.

The starting line-up was as follows:

Wesley Smith
Mack Pharr
Kirk Drew
G. A. Glenn
Roy Overturf

There will be several experienced players back next year, and we expect as good, or possibly a better season next year.

HOME ECONOMICS CLASSES

The above group of girls are the future homemakers of America, at least from Pleasant Grove. The group is so large that it is impossible to name them separately on this page. But we can say that they are a swell group of girls.

There are three general year divisions. The year is divided between the study of food and the study of the basic principles involved in sewing. The class grows more each year, and more facilities and equipment are to be added.

Parent Teacher Association

—This large group of ladies is one of the most important and most needed organizations of any school. The Pleasant Grove Parent-Teachers Association has done a great deal of work toward the betterment of our school. They have a membership of over five hundred persons. The students of Pleasant Grove wish to use this book as a medium of acknowledgment to this group for the many things that they have done to help us.

JOKES

Betty Grisham's father: I'll teach you to make love to my daughter, sir.

J. M.: I wish you would, old boy; I'm not making much headway.

Father: I never kissed a girl until I met your mother. Will you be able to say the same thing to your son when you become a married man?

Wesley: Not with such a straight face as you can, Father.

Father: Who broke that chair in the parlor last night?

Rusty: It just collapsed, all of a sudden, father, but neither one of us was hurt.

Teacher: Why don't you answer me?

Student: I did ma'am, I shook my head.

Teacher: But you don't expect me to hear it rattle away up here, do you?

Charles H.: Teacher, I don't think I deserve zero on this test.

Mr. Thompson: I don't either, but it is the lowest grade there is.

Harold: Do you know what time it is?

James: Yeah.

Harold: Thanks.

Thompson: Won't you join me in a cup of coffee?

Mullens: Yes, but you get in first.

Don Byler: (at the movies) Can you see all right?

Betty Benton: Yes.

Don: Is there a draught on you?

Betty: No.

Don: Are you comfortable?

Betty: Yes.

Don: Will you trade places with me?

This corn was collected by Granville Jett.

Treasured Memories

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in the production of this book. It indicates the wealth of ideas and ability which have made possible the long record of our school annual achievement.
